2025 PRODUCT CATALOG

WARING® EMPOWERED

Waring Commercial launched the Waring Empowered initiative with the purpose of fighting the global food waste crisis. We will establish ourselves as the equipment supplier at the forefront of the fight to reduce wasted food, and empower Waring customers to become Waring® brand advocates. As acclaimed zero-waste chef Douglas McMaster of Silo London has said, "Waste is a failure of the imagination," and culinary creativity is our primary kitchen tool in the reduction of food waste.

OUR MISSION

Waring Commercial, a global leader in foodservice equipment, is dedicated to providing innovative, reliable, and value-driven solutions that inspire creativity, increase productivity, and maximize profitability for the culinary community.

OUR STORY

Waring introduced the first blender over 85 years ago in the USA. We honor our heritage as an innovator and specialist, continuing the expansion as a leading provider of BLEND – PREP – COOK – BREW solutions for the global foodservice industry. In 1977, our manufacturing roots were planted in McConnellsburg, PA, where we still build our iconic blenders today. Now, more than ever, Waring Commercial distinguishes itself as a brand of impact that empowers our customers to adapt, enhance, and endure to overcome the challenges of today's rapidly changing commercial foodservice climate. Our commitment is to contribute to the global reduction of food waste through education, innovative products, and unique solutions in the pursuit of a sustainable future.

WARING®

 BLEND

HEAVY DUTY BLENDER
CB15V

DR. JOHNNY DRAIN

We call this the tank! Big, robust, and powerful. The build quality is so satisfying: the stand is heavy so the jug doesn't rattle when you crank up the blending speed, and because the jug is metal it will never crack and stays clean, unlike plastic ones.

BLEND

IMAGINE. INVENT. INSPIRE.®

ISO 9001 CERTIFIED*

Waring has demonstrated its commitment to world-class quality management by implementing ISO 9001 standards and becoming ISO 9001 certified in our McConnellsburg, PA, manufacturing facility. We have joined an elite number of organizations worldwide that have achieved certification in this globally recognized quality standard.

PROUDLY MADE IN THE USA*

Waring has been developing its blenders in the USA for over 85 years. A dedicated team of expert engineers continues to develop products, manufacture parts, and assemble our extensive line of blenders.

WARING ELLIPSE® BLENDING SYSTEM

MXE2000

THE FUTURE OF BLENDING HAS ARRIVED, AND IT'S ABOUT TIME!

Experience the power of top-down blending that propels you beyond the limits of physics. The brand-new Waring Ellipse® has been designed to change the way you think of blending with shorter cycles, greater output, and more consistent results.

THE SYSTEM

- THE DRIVE**
Ellipse® Drive system is powered by a rechargeable lithium-ion battery pack and infrared technology.
- THE LID**
The BPA-free lid with locking pin system has a dual removable seal system for easy cleaning.
- THE DASHER**
The durable snap-in Dasher is driven 360° by the Ellipse® Drive, grazing container walls, forcing ingredients into the blending blades, eliminating air pockets, and ensuring proper blends—every time!
- THE JAR**
The 32-oz. capacity, BPA-free copolyester container has a heavy-duty stainless steel blending assembly for powering through anything in its path.

10-SECOND SMOOTHIES.
15-SECOND BOWLS.

DOCKING STATION
A cradle stores the Ellipse® Drive between blends for easy access. The Docking Station can be placed in any direction under the base for space-saving convenience.

CHARGING STATION
Charge your Waring Ellipse® Drive in under 2 hours with a rapid charging system. Plug in the Drive at the end of the day so you're powered up and ready to roll tomorrow!

The Waring Ellipse® utilizes the strongest and **most powerful blender base** in the Waring line, the **MX1500!**

- Powerful 3.5 HP, 30K RPM motor
- Electronic-membrane keypad with blue backlit LCD screen
- Adjustable speed controls and four programmable beverage stations
- Dual PULSE feature with reprogrammable speed control

LIQUILOCK® SEAL SYSTEM.

More Products. Less Time. No Mess.

Waring's patented LiquiLock® Seal System allows for more production in less time. Get the most out of your bowl capacity with bottom- to top-of-the-bowl liquid processing with no leaking. The patented S-blade locks into place, sealing the bottom of the bowl, making it safer, cleaner, and easier to pour mixtures without the blade falling out into the processed food bowl. The removable seal in the snap-lock lid prevents any liquid from escaping the top of the bowl. Fill it to the rim without overflowing. Waring's LiquiLock® Seal System offers a unique benefit to foodservice operations and is a feature no other brand can deliver.

BEST WARRANTY IN THE INDUSTRY!*

Dependable and built to last, every Waring® Food Processor comes with a limited five-year motor warranty and two-year parts and labor warranty.

*For commercial countertop electric cutter mixer bowl/continuous-feed food processors

HEAVY-DUTY PULP EJECT JUICE EXTRACTOR

WJX80X

- Heavy-duty, centrifugal juice extractor with continuous pulp ejection
 - 3.15-inch feed chute for less prep work
 - 12-quart pulp container
 - Built for continuous, all-day juice extraction
 - Use in high-volume smoothie shops, cafés, bars, restaurants, hotels, and healthcare establishments
 - Make nutritious smoothies, juices, and immunity and power boosts
 - 1.2 HP brushless induction motor for power and durability
 - 3,600 RPM
 - Stainless steel filter basket and shredder disc expertly designed for a fantastic yield to save operators money and minimize waste
 - Compact and lightweight compared to competitors in its class
 - Easy to clean with all dishwasher-safe parts and included cleaning brush
 - Ergonomic food pusher for easier grip while juicing
 - Includes safety interlock features
 - Rotating, no-drip spout reduces mess
- Limited Two-Year Motor Warranty, One-Year Parts & Labor
120V, 1000W, 3600 RPM, 5-15P ⓘ
cETLus, NSF

CONTINUOUS-FEED JUICING ACCESSORY

To better serve high-volume juicing establishments, we have designed a continuous-feed chute attachment (WJX80CHT) so that operators do not have to empty the pulp bin as frequently! This keeps their juice flowing and their pulp ejecting into a larger container, to be discarded or used for alternate purposes (such as carrot pulp muffins) to reduce waste.

WJX80XDIS DISPLAY
Comes with nonworking unit.

MEDIUM-DUTY JUICE EXTRACTOR

6001C

- Rapidly converts fruits and vegetables into rich, pulp-free juice
 - Stainless steel extraction basket, bowl, and cover
 - Included extraction basket filters make cleanup simple and quick
 - Polycarbonate motor housing
- 120V, 180W, 3,600 RPM, 60 Hz, 5-15P ⓘ
 Limited One-Year Warranty
 cULus, CSA (6001CQ)

LIGHT-DUTY CITRUS JUICER

BJ120C

- Compact design creates a small-space profit center
 - Quiet, powerful motor operation
 - Reamer fits all citrus fruits

WARING®

 COOK

**XPRESS
MULTIPURPOSE
COOKTOP
WSC300**

MIKE BAGALE

This new machine is designed to function as a multi-purpose cooktop, and I see so many practical and unexpected applications for it. For example, it works very well to make Japanese souffle pancakes, in addition to a skinny pressed Spanish sandwich known as a bikini. I also really like using it to cook mini sourdough starter pizzas - they cook in just a few minutes.

 COOK

COOK

IMAGINE. INVENT. INSPIRE.®

USER-REPLACEABLE WAFFLE PLATES

Waring steps up to the plate when it comes to convenience. Our X Series Belgian waffle makers are designed with plates that users can easily replace on their own, with no need for outside support, saving them time and money. Should the plates ever be scratched or acquire too much buildup, users can purchase a simple replacement kit that spares them the expense of having to buy a new waffle maker and extends the life of the existing one.

SIDE-BY-SIDE DOUBLE BELGIAN WAFFLE MAKER

WW300BX

- Dual-carriage design

WARING XPRESS™ MULTIPURPOSE COOKTOP

WSC300

THE ART OF MAKING CRÊPES JUST GOT EASY!

- 1 Set time & temp
- 2 Pour
- 3 Press...for perfect results, every time!

THE WARING XPRESS™ IS NOT JUST FOR CRÊPES!

Designed to cook both sides simultaneously with no need to flip, the Waring XPress™ minimizes cook time and maximizes output for busy cafés, ice cream shops, food trucks, concession stands, caterers, and more. Originally designed to expertly make crêpes, this dual surface cooktop can also be used to warm/cook tortillas, make quesadillas, and more!

- 13.5-inch multipurpose cooktop
- Quickly and easily cook sweet or savory crêpes, quesadillas, tortillas, omelets, cheese crisps & more!
- Aluminum cooking surface with embedded heating elements for fast heat-up and recovery time
- Dual cooking surfaces cook both sides at once, eliminating the need to flip foods
- Ceramic-coated nonstick cooking surface allows for easy food removal and cleanup
- Electronic touchpad with precise temperature controls from 125°F–425°F (50°C–218°C)
- View temperature in Fahrenheit or Celsius
- Programmable countdown digital timer with audible beep indicators
- Includes silicone crêpe spatula to fold crêpes and easily remove foods without scratching nonstick surface

Limited Two-Year Warranty

FOOD DEHYDRATOR

WDH10

The dehydrator is an essential piece of equipment that is constantly in use in commercial kitchens and bars. Pastry chefs use it to make various meringues, dehydrated mousse, dried herbs, dessert decorations, and for manipulating the texture of fruits like strawberries and grapes. Mixologists use them to make candied, dehydrated fruits or herbs and infused powders to garnish drinks. Other popular favorites include beef jerky and kale chips.

- Built for chefs and mixologists looking to add unique flavor and texture to food and beverages
- Digital LED display with capacitive touch controls
- 5 memory stations for setting and storing unique programs
- Adjustable temperature range: 90°F–180°F (32°C–82°C)
- View temperature in °F or °C
- Set timer up to 99 hours, automatic shutoff when times lapses
- Ten 15-inch by 13.5-inch stainless steel mesh racks
- Total dehydrating surface area of 14 square feet
- Clear-view glass door for monitoring dehydrating process
- Rear-mounted airflow system
- Fruit-leather sheet accessory available – **WDH10FLS**

3- & 5-GALLON HOT WATER DISPENSERS

WWB3G/WWB5G

THE WARING® 3- & 5-GALLON HOT WATER DISPENSERS

Designed to conserve countertop space while providing maximum dependability and durability. Equipped with digital controls and an adjustable temperature range, the unit is simple to use, with a removable drip tray that makes cleanup easy. The night-mode feature ensures hot water is ready to pour from the drip-proof tap whenever needed. Great for corporate kitchens, convenience stores, and catered events.

- Digital controls and LCD display for ease of operation
- Precise temperature control and accuracy
- Temperature range from 150°F – 205°F (65°C – 96°C)
- Stainless steel construction
- Set night-mode feature to automatically start heating overnight so water is hot when you need it
- Guard rails for warming surface
- Removable drip tray for easy and convenient cleaning
- Uses: Tea, coffee, soups, grits, oatmeal, etc.

WWB5G: Additional fold-down shelf for small cup. Enough clearance between drip tray and the spigot to accommodate up to 3-liter airpots

120V, 1440W, 60Hz, 5-15P ⓘ
Limited One-Year Warranty
cETLus, NSF

WWB3G

The 9-inch clearance between the drip tray and the spigot accommodates extra-tall mugs and carafes.

WWB5G

The elevated cup shelf folds up to provide an extra-high dispensing area to accommodate the largest carafes, up to 15 inches.

10-GALLON HOT WATER DISPENSERS

WWB10G SERIES

- Digital controls and LCD display for ease of operation
- Precise temperature control and accuracy
- Temperature range from 150°F – 205°F (66°C – 96°C)
- Automatic water refill or pour-over capability
- Heat 10 gallons in 3 hours
- All-stainless steel construction
- Set night-mode feature to automatically start heating overnight so water is hot when you need it
- Knuckle guard for safe operation during dispensing
